BACKGROUND:

Urdaneta City, a Gateway to Northern Philippines, the city's strategic location is on the central part of eastern Pangasinan. It has also been considered as the Gateway to Northern Philippines, the city's strategic location is on the central part of eastern Pangasinan. Urdaneta City is among the most progressive cities in Northern Luzon in terms of Annual Regular Income beating all cities in Region 1. The City is among the region's cleanest, greenest and most liveable cities.

Unfortunately with progress comes persons with ill intent. Incessant reports from different Law Enforcement Units and the community as well have tagged several barangays as infested with illegal drugs and has been established that several of the residents in barangay affected compounds in were engaged in the illegal drug trade.

Guided by the principle of “Cleaning up your own backyard...” PDEA NHQ required all Regional Offices for targeted showcase barangays to be given special attention in its clearing in time for the Presidential State of the Nation Address. In effect, Barangay San Vicente and Barangay San Jose of Urdaneta City were specifically targeted.

PRO-ACTIVE RESULTS:

The establishment of Regional Oversight Committee under the Dangerous Drugs Board Regulation No. 3 Series of 2017 also led to the decentralization of duties and responsibilities thus the Provincial Oversight Committees for the four provinces of the Ilocandia Region was created. In Pangasinan Agent Dexter Asayco headed the formally reconstructed provincial office and immediately tackled the validation and assessment of drug cleared barangays together with the Pangasinan Police Provincial Office, DILG, DOH and representative of the Provincial Government of Pangasinan.

Accordingly the oversight committee convened last May 29, 2017 wherein among the collated barangays, Barangay San Jose and San Vicente were included. Due to the intervention from both the national and regional office of PDEA and the positive response of the local government of Urdaneta City along with its stakeholders of the aforementioned barangays have particularly accounted all its surrenderees and has been subject to several minor programs of the city. As a follow up, they will also be enrolled in the “Book of Life” Rehabilitation Program introduced by the National Headquarters.

Additionally, the target listed personalities in the area have been either neutralized through arrest or made to surrender and join the intervention programs by the city.

Without, the commitment of all the stakeholders and the incessant pro-active involvement of PDEA the clearing of the barangays would not have been possible. Thus as always a unified action has been always proven to break barriers and accomplish upscale missions.
At about 5:30 AM of June 13, 2017, elements of PDEA Pangasinan led by Agent Dexter Asayco proceeded to Brgy. San Vicente of this office proceeded to Brgy. San Jose, Urdaneta City, Pangasinan and attended the Community Rehabilitation Program of San Vicentes drug surrenderers. Physical exercise commenced early after which a short lecture by Agent Asayco and PSUPT. NEIL O MIRO, COP was rendered dutifully.

While on June 14, 2017 at about 6:00 AM, the same team proceeded to Brgy. San Vicente, Urdaneta City, Pangasinan and joined San Vicentes program. A road run in the early morning was participated by seventy-six (76) surrenderers and barangay officials as part of their Community Based Rehabilitation Program.

ACTION TAKEN:

PRE-OPERATION PHASE BARANGAY DRUG CLEARING OPERATIONS

By integrating Alaminos Police Stations programs with the Local Government Units efforts and guided by the concept of Barangay Drug Clearing, The CADAC & MADAC were now on the forefront of the anti-illegal drug campaign.

Through executive orders, all BADAC were re-organized in accordance with the Dangerous Drugs Board Regulations.

Requirements and parameters of Barangay Drug Clearing Program were completed with PDEA Pangasinan as Oversight Committee. One of the noted programs of the City’s Barangays were the clustering and mapping of their areas especially emphasizing on the exact whereabouts off the surrenderers and known drug personalities.

The designation of voluntary rehabilitation desks was mandatory to all barangays even if they are not classified as a drug affected barangay.

Weekly accounting of the drug surrenderers by the local police and BADAC form part of their Community Rehabilitation Program.
ALAMINOS CITY, PANGASINAN COMMUNITY REHABILITATION PROGRAM

The city’s program has collaborated with other partner agencies specifically DSWD-1 with the intention to help the surrenderers be an integral part of the community they live in.

Surrenderers of the City were deployed to their respective barangays to do community service that include construction of housing units of the Core Shelter Assistance Program, clean-up of their barangays, cemetery, de-clogging of their canals and sewers and the clearing of main roads.

City Mayor Arthur F. Celeste has been steadfast of initiating programs and activities that caters best to the general welfare of the surrenderers in order for them to live a decent and normal life.

Partnerships with other organized groups to augment their needs especially while undergoing community rehabilitation.

PSUPT Benjamin P. Ariola, chief of police of the city and his men and women regularly takes advice from the other officials to properly address the surrenderers modular activities.
Like other community rehabilitation programs across the region, Alaminos City follows Moral Recovery lectures and activities; Spiritual enhancement and physical conditioning modules.

Coastal cleanups are major activities of the MADAC and BADAC as several of their barangays are dependent on the sea as one of their major provident.

It was on March 15, 2017, that the LGU of Alaminos City, Saint Joseph Cathedral Parish and other stakeholders conducted a moving up exercises for the drug returnees at the Don Leopoldo Sison Convention Center.

The program aims to acknowledge the efforts of the surrenderers for completing the rehabilitation and reformation program initiated by latter.
ANTI-NARCOTICS OPERATIONS (OPERATION PHASE BARANGAY DRUG CLEARING)

From July 1, 2016 to January 2017, 15,764 houses were visited; 47 anti-illegal drug operations conducted with 45 drug personalities arrested. Accordingly, 14.364 grams of shabu and .067 grams of marijuana were confiscated. The confiscated drugs were street valued to more or less Php 93,366.00.

POST-OPERATION PHASE BARANGAY DRUG CLEARING

The establishment of Regional Oversight Committee under the Dangerous Drugs Board Regulation No. 3 Series of 2017 also led to the decentralization of duties and responsibilities thus the Provincial Oversight Committees for the four provinces of the Ilocandia Region was created.

Agent Dexter Asayco, PDEA Pangasinan Provincial Officer and Provincial Oversight Committee Chairman meets with Chief of Police PSUPT BENJAMIN P ARIOLA Mayor Arthur F Celeste for the declaration city's drug free declaration.
DECLARATION OF DRUG-CLEARED MUNICIPALITY

With the completion of the entire drug clearing parameters and requirements, the Provincial and Regional Oversight Committee approved the City’s Drug Cleared Status.

Thus, on the morning of June 19, 2017 at Don Leopoldo Sison Convention Center, the ceremonial Signing and Declaration of a Drug Cleared City commenced. Highlighted by the presence of Hon. Amado I Espino III, Governor of Pangasinan who served as honored guest and speaker.

PRE-OPERATION PHASE BARANGAY DRUG CLEARING OPERATIONS

Through cooperative programs, and this Office's introduction of the Barangay Drug Clearing Program, Drug Affected Barangays have undergone several seminars and trainings wherein the MADAC & the BADAC were re-organized and strengthened. The establishment of rehabilitation desks to further cater to the surrenderers has been further reinforced with the municipal ordinances passed as well as the allocation of budget for anti-drug programs.

Regular meetings and conferences with the councils have been productive as the stakeholders stated action long before the conceptualization of MASA-MASID. Barangay Drug Clearing Documentary Requirements started its consolidation and eventual completion.

The impressive determination of the local police of Agno, Pangasinan was evident as it implemented several of its major programs including the OPLAN TOKHANG and TAPHANG which resulted to the surrender of 213 drug personalities from July 2016 to present.
Constant monitoring of the personalities has resulted to their joining of several activities by their local government units as part of their Community Rehabilitation Program.

AGNO COMMUNITY REHABILITATION PROGRAM

Agno local police initiated the program which encourages the coordination and cooperation of all drug personalities/surrenderers and the local government of Agno.

The program encompasses environmental and civic activities which forms part of the detoxification of the assessed patients.

Community services with the inclusion of tree planting activities, clean-up drives were supervised by the LGU and local police with the surrenderers in different tourist destination spots of the municipality.

Moral Recovery lectures and activities; Spiritual enhancement and physical conditioning form part of
the rehabilitation program. The community’s volunteerism and the LGUs support have made it possible for the surrenderers road to recovery achievable.

From Zumba, calisthenics, Road Run and MRP Lectures, the Agno Police Station was at the forefront of the surrenderers CBRP. Regular Mass at St. Catherine of Alexandria Parish Church have made it possible for the surrenderers road to recovery achievable.

ANTl-NARCOTICS OPERATIONS (OPERATION PHASE BARANGAY DRUG CLEARING)

In order to implement fully Barangay Drug Clearing Operations in consonance with the Philippine National Police OPLAND DOUBLE BARREL, Agno Police Station in direct lateral coordination with this Office and other anti-narcotics and intelligence units implemented 15 operations against illegal drugs wherein 18 drug personalities were successfully arrested.

Gilbert Martirez of Barangay Aloleng, deemed as the Number One Wanted Person in Agno was arrested in the intensified campaign under the auspices of its present Chief of Police PCI Francisco Silva Castillo. The former Chief of Police PCI Amor Mio I Somine also spearheaded the arrest of the Number 2 & Number 8 priority listed personality.
