“Provision of compliance and laboratory services.”

Your ISO 9001:2015 Certificate is valid for three years until 27 December 2024, subject to satisfactory results of semi-annual surveillance audits. The further extension of your Certificate after this three-year period will be based on your effective conformity to the requirements of ISO 9001:2015, as determined by a reassessment of your Quality Management System in its entirety. Please see attached surveillance audit schedule.

As a certified organization, you are required to maintain your Quality Management System and to comply with CI's Conditions of Certification, including the use of CI's Certificate of Registration and Certification Mark in accordance with CI Regulations Part 4 and Part 5 (copy enclosed).

The validation of the consistent implementation and effectiveness of your improvement actions on the non-conformities cited during the reassessment will be carried out on the first surveillance audit.

We look forward to a strong partnership that will maximize your organization's benefits from its certified Quality Management System.

Very truly yours,
