Dear Director General Villanueva,

*Continued Certification to ISO 9001:2015*

Based on the outcome of the fifth surveillance audit of your QMS on 24 February 2021 and our acceptance of your planned correction and corrective action on the single minor non-conformity (EPA-01-SV5) reported by this audit, the validity of your QMS certification is hereby reconfirmed. However, we wish to remind your team that the satisfactory implementation of these planned actions will be verified at the next audit, subject to the renewal of the 3-year certification contract between PDEA and CIP. If, on the other hand, there is no new contract with CIP, your ISO 9001:2015 Certificate will expire on 09 October 2021.

Our audit assessed the maintenance of the QMS, its good points and areas of conformity that enable it to address your organization's risks and opportunities as well as support the achievement of your organization's performance objectives and customers' needs and expectations. Please note the opportunities for improvement cited too in the audit report.

We assure CIP's support to your organization's continuing quest for excellence. Best regards.

Very truly yours,  
CERTIFICATION INTERNATIONAL
